

Mark Your Calendars!

The Social Committee is committed to strengthening community involvement. We have several exciting events already scheduled for the next couple of months and more are still being planned. To eliminate the expense of postage we are listing our events on the Holly Glen website, on our new Facebook group page, postings at the pool bulletin board and through email. We encourage all residents to visit us online to see what thrilling events are coming up. If Talis Management does not have your current email address, which means you are not receiving the newsletters via email, please provide us with your email address at hollyglenevents@gmail.com so we can keep you better informed of the activities and events happening in our neighborhood.
